Dear Aziz:

During the ITU Plenipotentiary Conference (PP-06) held in Antalya late last year, TRAC once again performed an invaluable and exemplary service to the worldwide Amateur Radio community by showcasing our communications capabilities to the delegates and visiting officials.

PP-06 marked the third occasion on which TRAC has taken on such a responsibility. I was able to witness the first, at WRC-2000. Outstanding as it was, I know that the demonstrations at WTDC-02 and PP-06 were even more effective. I am told that your emergency communications van is most impressive!

On behalf of the officers and member-societies of the IARU, it is my pleasure to extend thanks and congratulations to you and all of the participating members of TRAC.

Sincere 73,

David Sumner, K1ZZ  
Secretary
